COMMENTS FROM THE TOWN MANAGERS OFFICE

At the last meeting of the Selectmen it was voted to purchase 350 feet of 2 1/2" hose for the Fire Department, replacing old hose deteriorated with age. The department has some hose dated 1929. The hose is being purchased out of the unexpended balance of the appropriation for the Fire Department.

At the Dec. 6th and 13th meetings of the Selectmen, approval of the applications for liquor licenses were granted to the following: Bethel Inn, Sudbury Inn, Mundt - Allen Post, and The Norseman. No one appeared at the hearings in opposition to granting approval.

In order to clarify any misunderstanding, the list of taxpayers and amount of each tax published in last week's issue was a complete list of all resident and non-resident taxpayers and was published as a service of the newspaper. It is not to be interpreted as being a list of unpaid taxes still due on the 1961 commitment.

Joseph Perry who has served as Night Officer since March, 1960 has tendered his resignation effective Dec. 29th. The reason for resigning is to accept other employment. Reports from the general public indicate that Mr. Perry's service to the town has been very satisfactory. Any person indicating an interest in the position of Night Officer may call at the Town Office.

Sincerely,
Harold L. Bean

The Bethel P. T. A. met Tuesday evening at Crescent Park School with 36 members present. The attendance banner was won by the 6th grade.

Mrs. Janet Richardson, chairman of the Program Committee, reported that Quentin R. Unger, Director of Health and Physical Education in Maine, will be the speaker at our January 16th meeting. A movie will also be shown. It is interesting to note that Bethel rated very poorly on the recent Physical Education tests.

It was reported that as far as is known at the moment, there will be no Dental Health Program in the month of January due to the fact that there is no place for it to be held.

Eric Sahlberg reported that two very interested persons donated a refrigerator to both the Crescent Park School and Primary School. The P. T. A. wishes to thank them for their kindness.

It was reported that volunteers are needed to help paint the hot lunch room and put on new counter tops at the Primary Building. A work night has been set for December 27th. Joe Hillier, Linc Fiske, Stan Davis, and Irving Brown have volunteered and any others would be appreciated. Just bring your own paint brushes.

The meeting was then turned over to Janet Richardson who read a few articles on the controversial subject of the Social Life of the ten to sixteen year old group. The group was divided into four sections and each was given the same questions to discuss. After the groups returned to the main room, the following report was given:

Question No. 1: What age should dating begin? It was unanimous that it should not begin before the freshman year which is the 14, 15, 16 year group, and then only casual dating.

Question No. 2: A—Are we over organizing our children? This was a split decision. B—Are we over organizing in our community? No.

Question No. 3: What activities should our children have arranged for them? Closer relations between church and home, more family planned activities, closer ties to the home. Scouting, Youth Fellowships, Choir, School Organizations, Little League, Softball for girls.

SKIING STARTS AT MT. ABRAM SLOPES

A fair sized group of skiers enjoyed the opening of Mt. Abram last week. The conditions on the slopes are considered good to excellent especially with the recent snowfall which gives 12-14 inches of powder on the six to eight inch base.

The management expects a group of skiers over from Augusta under the supervision of Grady Erickson—ski coach at Cony high school, to be present during the latter part of this week.

On Christmas day the slopes will be open in the afternoon only.

The Sport Shop under the direction of Lee Hutchins announces new shoulder patches, pennants and sweat shirts which sport Mt. Abram. The should patches this year have as a design Mr. Bullwinkle himself. This cartoon character can be viewed on T. V. Sunday evenings. The cartoonist and illustrator of the Bullwinkle show gave permission to Mt. Abram for the use of him on their shoulder patch.

In the discussion of the var-
 ious functions of the group
 which followed, it was agreed
 that floods and extensive fires,
 as well as protection and
 housing in the event of atomic
 fall-out, were matters within
 the concern of the such a
 group. Crescent Park School
 and Gould Academy Field

House have already been se-
 lected as refugee centers, and
 it was decided to contact ho-
 tels and motels in the vicinity
 to sound out their reaction as
 to serving as facilities in
 housing, with suitable finan-
 cial recompense from emerg-
 ency funds. It was also sug-
 gested that a sum of two or
 three hundred dollars for such
 an emergency fund be included
 in the town warrant.
